HR Analyst

Multiplan Nigeria Limited, Lagos, NG | May 2021 - Jun 2023

- Created monthly and quarterly HR analytics reports for executive leadership
- Implemented data-driven approaches to optimize recruitment and retention strategies
- Collaborated with department heads to address workforce planning requirements

EDUCATION

PG Diploma in Data Science | Thompson Rivers University, Kamloops, BC, Canada | 2023 - 2025

B.Eng in Chemical Engineering | Niger Delta University, Wilberforce Island | 2015 - 2021

CERTIFICATIONS

- Machine Learning Specialization - Coursera/Stanford University (Mar 2023)
- Data Science Professional - IBM (Dec 2022)
- Data Scientist Career Track - 365 Data Science (Aug 2023)
- And other related certifications

PROJECTS

Featured Projects: Customer Segmentation Analysis, Predictive Maintenance Model, Sentiment Analysis Tool, and more. Detailed information available at Portfolio.

ACHIEVEMENTS

- **Hackathon Winner** - Loan Approval Prediction Competition (2024)
- **Top Performer Recognition** - DataSphere Analytics, 2024
- **Research Publication** - Published research paper in IEEExplore (2024)
